## **Project Description**

**Brief Project Description**

FBC Tahoe needs students who love children, to work with preschool and school-aged children daily. Our internship includes full-time preschool and after-school program opportunities. In both programs, you will plan and lead daily lesson plans.

**Additional Details**

We are located less than a mile from the stunning Lake Tahoe, so expect lots of amazing views of the lake and fun adventures in the outdoors!

**What type of student is needed?**

For our preschool program, we need students who are Early Childhood, Child Life, Child Development, or Human Development

and Family Studies majors. You will need 12 hours in any combination of these types of classes to qualify for the preschool. Most 4 year degrees and some two year degrees qualify to work with our school age children.

**How will you mentor the student spiritually?**

We have daily staff devotions in the morning to start the work day, weekly reports to check-in, and monthly meetings to best support group needs.

**What training/orientation will you provide for the student?**

We will have a week of training at the beginning of each semester to orient the students to our day-to-day policies and procedures, as well as introduce them to the lesson plans, and other classroom information.

**If possible, suggest a possible weekly schedule for the student(s) or attach separately:**

Monday-Friday: 7:50am staff devotion and daily introduction, 8am school opens, 1 hour lunch break (or two 30 minutes breaks at lunch and in the afternoon), school closes at 5pm. Preschool will have children all day. School-age had children all day in summer and before and after school in fall and spring, during school hours in fall and spring school-aged missionaries will serve the school and community, lesson plan, and help with various tasks.

Sunday: 8:30am church prep, church at 9am-11am, free for the rest of the day.

**Are you applying for student volunteers from other agencies/schools/states?**

Yes, we need 12 missionaries total and receive them from many different places.

**Travel Information:**

**To which airport will volunteers need to arrive?**

RNO: Reno-Tahoe Regional

**Is a particular time of day they need to arrive or other travel information or suggestions?**
